6. *Community Communications.* Please list the groups with which the Station communicates, formally or informally, to determine issues of importance? Does the station have a community board? Does it communicate with particular minority, community or other groups?

NBC 10 does not have a community advisory board, however the Station sponsors community meetings at various locations in our viewing area. The most recent meetings have been held in Camden & Trenton, NJ; Wilmington, Del; Allentown, Bensalem, & Montgomery Co., PA, and approximately 200 people attend each meeting.

The station hosts annual dinners for Asian and Latino leaders, as well as members of the lesbian and gay community.

Station management maintains dialogue with leaders from the following organizations with regard to issues of particular community interest – NAACP, United Negro College Fund, Opportunities Industrialization Center, Council of Spanish Speaking Organizations, American Foundation for Negro Affairs, Philadelphia Chinatown Development Corporation, Asian American Women's Coalition, Sons of Italy, Polish American Congress, Phila. Urban League, National Coalition of 100 Black Women, Women's Way, ASPIRA, Dr. Martin Luther King Jr. Association for Non-Violence, Multicultural Affairs Congress, Asian Americans United, Phila. Chapter – National Association of Black Journalists, Asian American Journalists Association, National Association of Hispanic Journalists, Equality Forum, Philadelphia Lesbian & Gay Task Force.

KNTV, San Jose/Oakland/San Francisco
(For Period October 1, 2003 to September 30, 2004)

Local News and Public Interest Programming.

1. *News Programming.* How many hours of local news do you air weekly? 30
2. *Community Programming.* Please provide examples of important local stories during the past year within your news that inform the community, including consumer affairs, exposés, investigatory pieces, and issues of importance to minority, disabled and other special local interest groups.

Special news reports have included stories such as:

- An investigation into law enforcement handguns misplaced at San Francisco International Airport
- Explorations of the advertising strategies used by political candidates
- Expose of the poor condition of the water pipeline serving the majority of Bay Area residents
- A story about the principal of an inner-city Oakland school successfully improving student attendance, behavior and grades
- Stories about the many new high-profile hires in San Jose city government and questions about the city's ability to run smoothly during a time of much change
- Stories about Indian casinos in Bay Area communities and the impact they have on tribes, neighborhood residents and local revenues
- An exploration of California Governor Arnold Schwarzenegger's closest advisors, and their potential influence on state government
- Local Bay Area families driven by high housing costs to live in storage buildings

3. *Emergency Programming.* Please list instances during the past year where the station has interrupted regular programming to cover local, regional or national disasters of interest to the community. List any instances you know of in which cable and/or DBS was off the air but our station was still broadcasting.

Here are several examples of interruptions to regular programming to cover breaking local and national news:

- 12/15/03 - various times during the night and morning - Capture of Saddam
- 12/22/03 - Paso Robles earthquake
- 05/07/04 - Rumsfeld testimony, prison abuse
- 05/10/04 - Rumsfeld Testimony, Prison Abuse
- 06/07/01 - Reagan Memorial
- 06/09/04 - Reagan Memorial
- 06/11/04 - Reagan Services

4. *Public Affairs Programming.* Please list names of public affairs shows, number of hours per week aired, and the sorts of stories covered.

- Meet the Press** (1 hr. weekly; national political news)
- The Chris Matthews Show** (1/2 hr. weekly; national political news)
- The Wall Street Journal Report** (1/3 hr. weekly; national economic and financial news)

KNTV, San Jose/Oakland/San Francisco

East Oakland Youth Development Services

KXAS-TV, Dallas-Fort Worth, Texas
(For Period October 1, 2003 to September 30, 2004, Unless Noted)

Local News and Public Interest Programming.

1. *News Programming.* How many hours of local news do you air weekly? 35 hours
2. *Community Programming.* Please provide examples of important local stories during the past year within your news that inform the community, including consumer affairs, exposes, investigatory pieces, and issues of importance to minority, disabled and other special local interest groups.

El Puente is a weekly local news segment that focuses on issues of particular interest to the local Hispanic community.

Commit to Be Fit is a weekly local news segment that focuses on health issues that relate to obesity.

The *NBC 5/KXAS Jefferson Awards* was a locally produced program featuring extraordinary local volunteers.

The *NBC 5/KXAS HealthFit Expo* is an annual local community event that offers information on healthy options and solutions for every day living. This expo is sponsored exclusively by KXAS and receives extensive news coverage.

The *NBC 5/KXAS Technology and Lifestyles Expo* is an annual local community event that offers information on technological advancements that help with every day living. This expo is sponsored exclusively by KXAS and receives extensive news coverage.

NBC 5 addresses numerous local community issues through news and programming. Some issues covered include:

- Alcohol and Drug Abuse
- Consumer
- Crime and Law Enforcement
- Cultural
- Economic Development
- Education
- Environment
- Family
- Government
- Health and Medical
- Housing
- Poverty
- Race Relations
- Religion
- Safety
- Transportation
- Children's Issues

A few examples of these stories are as follows:

Report on auto loans – upside down loans. Report concentrated on how cars are being financed at more than their value and how to identify these loans.

Report on what companies are doing to monitor their employees at the workplace. Report showed how some employers use open telephone lines, cameras, and computers to see what employees are doing during work time.

Report on identity theft. The report concentrated on how easy it is for personal information to be retrieved from one's garbage and steps one can take to prevent such easy access to the information.

Report on hazardous streetlights. Report showed how some local streetlights have exposed wires and pose a hazard for electrocution.

Report on damage and injury caused when pick-up trucks with oversized bumpers are involved in accidents.

Report on bottled water and how much of the bottled water is actually recycled tap water.

Report that majority of cars stolen in North Texas end up in Mexico. NBC 5 reporter followed the trail of a stolen car to Mexico and found a Mexican policeman driving the car.

Report that grocery stores now have technology for the shopper to scan and bag one's own groceries; however, the price of the groceries has not gone down.

Report that some of the worst drivers with the worst driving records are still driving daily.

Report on road rage – why drivers get upset, and what you can do if you're faced with road rage.

Report on dollar stores. Took a look at some of the products that are not FDA approved and showed how similar some of these products look, at first glance, like FDA approved brands.

Report on garage sales – steps were given to put on a successful garage sale.

Report on popular diets – people's opinions on how successful they are or are not.

Report on menu mark-ups – how restaurants mark up their products.

Report on exaggerations and lies contained in resumes and what to look for to make sure you're getting honest resumes.

Reports on local paralyzed football star and needs created by his injury. Followed his first days after the injury to the outpouring of support from the community.

News stories, interviews and mentions covering local community issues are regularly included in KXAS newscasts. Examples of significant community issues are attached in KXAS-TV's *Quarterly List of Programming Providing the Most Significant Treatment of Community Issues*. (2003 4th Qtr., 2004 1st, 2nd and 3rd Qtrs.)

Sixty-two (62) local exclusive KXAS sponsored events were covered in KXAS newscasts over the period.

3. *Emergency Programming*. Please list instances during the past year where the station has interrupted regular programming to cover local, regional or national disasters of interest to the community. List any instances you know of in which cable and/or DBS was off the air but our station was still broadcasting.

Hispanics Today (30 min. weekly) (Looks at the role of Hispanics in society and business)
Your Total Health (30 min. weekly) (Reports health and medical-related news)

5. **Political Programming.** Please estimate approximate minutes of coverage of political issues during daily newscasts and public affairs programming, broken down by topic.

2004 Presidential Election – (9/04-11/04 – average of 1 hour 52 minutes per week on area political races) More than 15 minutes per day of news coverage for the 60 days before the election. The coverage concentrated on issues and candidate profiles.

Dallas Cowboy Stadium Arlington Referendum – Extensive coverage of this controversial public issue during station newscasts in the eight weeks leading up to the November 2004 election including 10 minutes of opposing parties live debate during *NBC 5 First At Four* (11/1/04)

Making Your Vote Count – Investigated the different voting systems and participated in the Voter Alert Line to track possible voting irregularities. Mentioned Voter Alert Line phone number in multiple newscasts daily during final two weeks prior to election.

2004 Primary – January 2004 – August 31, 2004 (Minimum of 35 minutes per week on area political races and issues) KXAS made a concerted effort to delve into the issues and candidates.

Local Elections – Extensive coverage on air and on the web of local elections in both February and May. We covered all local initiatives (including taxes, bond proposals, legal liquor sales, school improvement plans and public official recalls) for all 33 DMA counties both on our air and on our website, nbc5i.com.

6. **Special Political Programming.** Please list special or extended political coverage of debates, conventions, town hall meetings and other public forums.

National Democratic Convention: July 26, 28 & 29th, 2004 (3 hours 10 minutes)

National GOP Convention: August 31 – September 2, 2004 (3 hours 20 minutes)

7. **Election-Year Political Programming.** Please list any additional time provided to candidates or special periodic programming during the 60 days prior to election.

Decision 2004: The Latino Vote (10/23/04) (30-min - Examines the impact of the Latino vote nationally and in Texas for the 2004 election)

El Puente (10/17/04) (30-min - KXAS produced this program that looked at the growing Latino community in North Texas and its impact on voting in 2004.)

Five (5) minutes of free airtime in *NBC 5 First At Four* newscast was offered to all North Texas U.S. House of Representatives candidates and TX Railroad Commissioner candidates prior to the 2004 general election – 11 districts.

Candidates in the hotly contested U.S. House race for Texas' 32nd Congressional District participated in extended, on-set interviews during the week prior to the 2004 general election.

KXAS-TV, Dallas-Fort Worth, Texas
(For Period October 1, 2003 to September 30, 2004 (continued))

Community Service and Outreach.

1. *Public Service Announcements.* How many total minutes per average week does the station air unpaid PSAs? Paid PSAs? Please list examples of common topics.
